WebEx Meeting number (access code): 170 792 5451

WebEx Meeting password: mpl@1234

2. The Explanatory Statement setting out the material facts pursuant to Section 102 of the Companies Act, 2013 (''the Act''), in respect of the Special Business under Item nos. 4 to 6 set above and the details as required under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and Secretarial Standard on General Meeting (SS-2) in respect of the Directors seeking appointment/ re-appointment at this Annual General Meeting is annexed hereto.
3. National Securities Depositories Limited ("NSDL") will be providing facility for voting through remote e-Voting during the 36th AGM through electronic means.
4. Since this AGM is being held pursuant to the MCA circulars through VC/OAVM, physical attendance of Members has been dispensed with and there is no provision for the appointment of proxies. Accordingly, the facility for appointment of proxies by the Members under Section 105 of the Act will not be available for the 36th AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Participation of Members through VC /OAVM will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Companies Act, 2013 ("the Act").
6. Members may join the 36th AGM through VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
7. Members will be provided with a facility to attend the AGM through VC/OAVM.
8. Corporate members intending to authorise their representatives to participate and vote at the meeting are requested to send a certified copy of the board resolution/ authorization letter to the Company authorising their representatives to participate and vote on their behalf at the meeting.
9. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
10. All documents referred to, in the accompanying notice and explanatory statement, are open for inspection at the registered office of the company on all working days, during regular business hours and shall also be available at the meeting.
11. The register of members demat and share transfer books of the company will remain closed on 29th September, 2021 being the record date.
12. Your company has not declared any dividend during Financial Year 2012-13 and 2013-14.
13. Members are requested to notify immediately any change in their address along with PIN code numbers to the company or the share transfer agent of the company (M/s Alankit Assignments Limited, 4E/2, Jhandewalan Extension, New Delhi-110055).

14. Individual shareholders can take the facility of nomination. For further detail in this regard shareholders may contact Share Transfer Agent or their respective depository participant.

15. The shares of the company are transacted in compulsory dematerialize form. Shareholders are requested to convert their shares in Demat format at the earliest possible.

16. Members are requested to quote their Demat account / folio no. in all correspondence with the company.

17. In compliance with the aforesaid MCA Circulars and SEBI Circular, the Notice of the 36th AGM and other documents are being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories.

    Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the 36th AGM and the Annual Report for the year 2021 and all other communication sent by the Company, from time to time, can get their email address registered by following the steps as given below:-

    a. For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your folio number, complete address, email address to be registered along with scanned self- attested copy of the PAN and any document (such as Driving License, Passport, Bank Statement, AADHAR) supporting the registered address of the Member, by email to the Company's email address at: sec.legal@machino.com or may register their e-mail addresses with Alankit Assignments Ltd., Registrar and Transfer Agent of the Company at alankit@alankit.com .

    b. For the Members holding shares in demat form, please update your email address through your respective Depository Participant/s.

18. The Annual Report and other communication sent electronically will be displayed on Company's website www.machino.com and will also be available for inspection at the registered office of the company during the office hours. The same shall also be available on the website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com

19. As per SEBI circular No. CIR/MRD/DP/10/2013 dated 21st March, 2013, which encourages usage of electronic modes of payment i.e., ECS/ NECS/NEFT, etc. for making cash payments to the investors. Therefore the investors are requested to provide/ update their bank account details with Registrar and Transfer Agent, Alankit Assignments Limited, Alankit Heights, 4E/2 Jhandewalan Extension, New Delhi, 110055 at alankit@alankit.com or with Machino Plastics Ltd. at sec.legal@machino.com so that dividend when declared can be remitted to the credit of their bank account through ECS facility, provided such facility is available in your locality.

20. **Voting through electronic means**

    I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule- 20 of the Companies (Management and Administration) Rules, 2014, read with Secretarial Standard on General Meetings, the Company is pleased to provide members' facility to exercise their right to vote on resolutions proposed to be considered at the 36th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the Annual General Meeting ("AGM") ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).

    II. The members who have cast their vote by remote e-voting prior to the AGM may also attend Video Conferenceing (VC)/ Other Audio Visual Means (OAVM) AGM but shall not be entitled to cast their vote on expiry of e-voting period.

    III. The remote e-voting period commences on 26th September, 2021 (9:00 a.m.) and ends on 28th September, 2021 (05:00 p.m.). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date on 22nd September, 2021, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by a member, the member shall not be allowed to change it subsequently.

    IV. The process and manner for remote e-voting are as under:

    The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	1. Existing **IDeAS** user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "**Beneficial Owner"** icon under **"Login"** which is available under **'IDeAS'** section , this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on **"Access to e-Voting"** under e-Voting services and you will be able to see e-Voting page. Click on company name or **e-Voting service provider i.e. NSDL** and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period. 2. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select **"Register Online for IDeAS Portal"** or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or **e-Voting service provider i.e. NSDL** and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period. 4. Shareholders/Members can also download NSDL Mobile App "**NSDL Speede**" facility by scanning the QR code mentioned below for seamless voting experience. **NSDL Mobile App is available on** App Store Google Play
Individual Shareholders holding securities in demat mode with CDSL	1. Existing users who have opted for Easi / Easiest, they can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. The URL for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on New System Myeasi.

	2. After successful login of Easi/Easiest the user will be also able to see the E Voting Menu. The Menu will have links of **e-Voting service provider i.e. NSDL.** Click on **NSDL** to cast your vote. 3. If the user is not registered for Easi/Easiest, option to register is available at https://web.cdslindia.com/myeasi/Registration/EasiRegistration 4. Alternatively, the user can directly access e-Voting page by providing demat Account Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the demat Account. After successful authentication, user will be provided links for the respective ESP i.e. **NSDL** where the e-Voting is in progress.
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

   Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at https://eservices.nsdl.com/ with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12****** then your user ID is IN300***12******.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12********** then your user ID is 12**********
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
   a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.
   b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
   c) How to retrieve your 'initial password'?
      (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
      (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the " Initial password" or have forgotten your password:
   a) Click on "**Forgot User Details/Password**?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
   b) **Physical User Reset Password**?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
   c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
   d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle

2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period Now you are ready for e-Voting as the Voting page opens.
3. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
4. Upon confirmation, the message “Vote cast successfully” will be displayed.
5. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
6. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to atimakhanna@gmail.com with a copy marked to evoting@nsdl.co.in.

Profit/loss after tax	(451.83)	(410.49
Other Comprehensive Income/(loss)	18.17	0.98
Total Comprehensive Income/ loss for the period	(433.66)	(409.51)

Net turnover of your Company has decreased by 13% from Rs. 24200.19 lacs in 2019-20 to Rs. 21024.89 lacs in current year. Your Company has increased a pre-tax loss of Rs. 576.26 lacs as compared to loss of Rs. 851.47 lacs in the last year. Company has earned cash profit of Rs. 939.59 lacs as compared to Rs.1112.74 lacs in 2019-20.

Your Company's annual performance was impacted by continued lockdowns due to the pandemic in the month of April 2020 and partially in May 2020. Your company annual net sales show a decline as compared to previous year. In March 2020, the World Health Organization declared COVID 19 to be a pandemic. As a result, the operations of the Company were impacted in Financial Year 2020-21 with series of lockdowns announced by the government. The situation gradually normalised from Quarter 3rd of Financial Year 2020-21 onward. However the Second wave of Covid again disrupted operations in certain part of the country in April 2021.

RESULTS OF OPERATIONS

OPERATIONS:

During the year under review, the following are the highlights of your Company:

- Achieved a turnover during 2020-21 of Rs. 21024.89 lacs as compared to Rs. 24200.91 lacs during 2019-20 reflecting a decrease of 13%.
- Pretax loss during 2020-21 is Rs. 576.26 lacs against pretax loss during the year 2019-20 of Rs. 851.47 lacs.
- Post tax loss during 2020-21 is Rs. 410.49 lacs against post tax loss during the year 2019-20 of Rs. 451.83 lacs.
- Total Comprehensive Loss during 2020-21 is Rs. 409.51 lacs as compared to loss Rs. 433.66 lacs during previous financial year 2019-20.
- Cash Profit during 2020-21 is Rs.939.59 lacs against cash profit during the year 2019-20 of Rs.1112.73 lacs.

PERFORMANCE OF THE COMPANY

Plastic is projected to be largest growing product type for injection moulding market between 2020 and 2025. Our company is expected to see stronger growth in 2021-22, after recovering from the devastating effects of the COVID 19 pandemic. Growth and adoption of light weight vehicles and electric vehicles are expected to offer various lucrative opportunities for the growth of our company. In the first few months of this financial year, overall demand slumped due

to mandatory lockdown, as such adversely impacting your company's production and capacity utilization; Performance improved in 3rd and 4th Quarter.

The world and your company, people associates with the company, faced unprecedented challanges due to pandemic. Not the growth but the survival itself become the goal. Your company survived to pursue the goal of growth for the future.

ANNEXURE-I

REMUNERATION POLICY

1. Executive Remuneration Policy

The remuneration policy of the Directors has been designed to keep pace with the business environment and market linked positioning. The Remuneration & Nomination Committee determines and recommends to the Board the compensation payable to Directors. Remuneration for the Executive Directors consists of a fixed component and a variable component linked to the long term vision, medium term goals and annual business plans.

The scope of the nomination and remuneration committee shall include the formulation of criteria for determining qualifications, positive attributes and independence of a director and recommend to the board a policy, relating to the remuneration of the directors, key managerial personnel and other employees.

The company had set-up a Nomination and Remuneration Committee on 17th November, 2012 to review and recommend the quantum and payment of annual salary and commission and finalize service agreements and other employment conditions of the Executive Directors. The Committee takes into consideration the best remuneration practices being followed in the industry while fixing appropriate remuneration packages for Directors.

As on March 31, 2021, the committee has total six directors which include Four Directors as Independent Directors, one director being non-executive director and the other director being Executive Director in accordance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The composition included Mrs. Anupam Gupta, the Chairperson of the Committee, Mr. Ajit Yadav, Dr. Sandeep Goel, Mr. Rajiv Kumar Singh, Mr. A. K. Tomer, and Mr. Aditya Jindal.

Of the 8 (seven) Directors, 2 (two) Directors including the Chairman are Executive Directors, 2 (two) are Non-Executive Directors and 4 (Four) are Non-Executive and Independent Directors. 50% of the Board consists of Independent Directors, in consonance with Regulation 17 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015.

C. The **senior management** team as on 31.03.2021 consists of

i. Chief Financial Officer

ii. Company Secretary

iii. General Manager- Operations

D. Key Managerial Personnel

i. Managing Director / Executive Director/Whole Time Director

ii. Chief Financial Officer

iii. Company Secretary

3. The Nomination & Remuneration Committee

The Nomination & Remuneration Committee is responsible for the monitoring, implementation and review of this policy. The Nomination & Remuneration Committee will provide recommendations to the Board as to how to effectively structure and facilitate a remuneration strategy, which will meet the needs of the Company.

3.1 Key Principles of the Remuneration Policy

While designing compensation for Directors, Key managerial personnel, senior management and other employees, the following set of principles act as guiding factors:

1. Aligning key executive and board remuneration with the longer term interests of the company and its shareholders.
2. Minimize complexity and ensure transparency.
3. Link to long term strategy as well as annual business performance of the company
4. Promotes a culture of meritocracy and is linked to key performance and business drivers.
5. Reflective of line expertise, market competitiveness so as to attract the best talent.
6. The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
7. Relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
8. Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals:
9. That the Managing Director's remuneration be reviewed on expiry of current period of three years of appointment and the remuneration be divided into fixed and flexible portion.
10. In future employment, as well as for existing, a part of remuneration be kept as performance linked pay.
11. Remuneration being paid to employees currently be protected.
12. Targets for the Company, for the Managing Director, for HOD's be given by board and HOD's should fix targets for their respective team members. Accordingly the performance remuneration will be decided by board latest by the end of the month of May each year in accordance with recommendation of Nomination and Remuneration Committee.

3.1.1 Remuneration paid to Executive Directors

The remuneration paid to Executive Directors is recommended by the Nomination and Remuneration Committee and approved by the Board in the Board meeting, subject to the subsequent approval by the shareholders at the general meeting and such other authorities, as the case may be.

At the Board meeting, only the Non-Executive and Independent Directors participate in approving the remuneration paid to the Executive Directors. The remuneration is arrived by considering various factors such as qualification, experience, expertise, prevailing remuneration in the industry and the financial position of the company. The elements of the remuneration and limits are pursuant to the section 178, 197 and schedule V of the Companies Act 2013 and also Regulation 19 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

3.1.2 Remuneration Policy Structure

The remuneration structure for the Executive Directors would include the following components:

3.1.3 Basic Salary

- Provides for a fixed, per month, base level remuneration to reflect the scale and dynamics of business to be competitive in the external market.

- Are normally set in the home currency of the Executive Director and reviewed annually.

- Will be subject to an annual increase as per recommendations of the Nomination and Remuneration committee and approval of the Board of Directors and such other approvals as may be necessary.

3.1.4 Perquisites and Allowances

A basket of Perquisites and Allowances would also form a part of the remuneration structure.

3.1.5 Contribution to Provident and Other funds

- In addition to the above, the remuneration would also include:

- Contribution to Provident and Superannuation Funds

- Gratuity

3.1.6 Minimum Remuneration

If in any financial year during the tenure of the Executive Directors, the company has no profits or its profits are inadequate, they shall be entitled to, by way of Basic Salary, Perquisites, allowances and in addition hereto, they shall also be eligible for perquisites not exceeding the limits specified under Part IV of Schedule V of the Companies Act, 2013 or other such limits as prescribed by the Government from time to time as Minimum Remuneration, whichever is higher.

3.2.1 Remuneration payable to Non-Executive & Independent Directors

The Non-Executive Directors and Independent Directors of the company would be paid sitting fees {not exceeding INR 1, 00,000} for each meeting of the Committees and Board meeting as may be decided by the board from time to time.

3.2.2 Remuneration payable to Non-Executive Directors

The Remuneration to the Non-Executive Directors would be as per recommendations of the Nomination and Remuneration committee and approval of the Board of Directors. It would be pursuant to the provisions of sections 197, 198 of the Companies Act 2013.

3.3 Remuneration Philosophy for Key managerial personnel, senior management & staff

The compensation for the Key managerial personnel, senior management and staff at Machino Plastics Limited would be guided by the external competitiveness.

Internally, performance ratings of all employees would be spread across a normal distribution curve. The rating obtained by an employee will be used as an input to determine Variable and Merit Pay increases. Variable and Merit pay increases will be calculated using a combination of individual performance and organizational performance. Grade wise differentiation in the ratio of variable and fixed pay as well as in increment percentage must be made.

Compensation can also be determined based on identified skill sets critical to success of the company. It is determined as per management's review of market demand and supply.

4. DISCLOSURES

The remuneration policy shall also form part of Annual Report of the Company and shall also be posted on the website of the company.

ANNEXURE III

PERFORMANCE EVALUATION POLICY OF MACHINO PLASTICS LIMTED

POLICY ON EVALUATION OF PERFORMANCE OF DIRECTORS AND THE BOARD

INTRODUCTION

In accordance with the requirement of Regulation 17(10) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 178 along with schedule IV of the Companies Act, 2013 and other provisions as may be applicable on the company from time to time; the company shall evaluate the performance of its Independent Directors, its board and other committee on annual basis.

OBJECTIVE

This Policy aims to:

(i) Ensure compliance of the applicable provisions of the Companies Act, 2013 and the Listing Regulation entered into with the Stock Exchanges (as amended or re- enacted from time to time) relating to the evaluation of performance of the Directors and the Board

(ii) adopt best practices to manage the affairs of the Company in seamless manner.

(iii) achieve good corporate governance as well as sustained long-term value creation for stakeholders.

DEFINITIONS EVALUATION FACTORS

A. "**the Act**":

The Act shall mean The Companies Act, 2013;

B. "**the Company**":

The Company shall mean Machino Plastics Limited;

C. "**the Director**" or "**the Board**":

The Director or the Board, in relation to the Company, shall mean and deemed to include the collective body of the Board of Directors of the Company including the Chairman of the Company.

D. "**the Independent Director**":

The Independent Director shall mean an Independent Director as defined under Section 2 (47) to be read with section 149 (5) of the Act.

E. "**the Policy**" or "**this Policy**":

The policy or this Policy shall mean the Policy for Evaluation of performance of Board of Directors of the Company.

F. "**the Committee**" or "**this Committee**":

The Committee or this Committee shall mean the Nomination and Remuneration Committee of the Board of Directors formed under the provisions of Section 178 of Companies Act, 2013.

EVALUATION FACTORS

The Nomination and Remuneration Committee („NRC") shall carry out the evaluation of performance of every Director. The evaluation of performance of the Independent Directors (IDs) shall also be carried out by the entire Board of Directors excluding the Director being evaluated in the same way as it is for the Executive Directors of the Company except the Director getting evaluated. Evaluation performance should be carried out at least once in a year.

While evaluating the performance of the Non-Executive Directors ("NED"s) the following parameters shall be considered:

(a) Attendance at meetings of the Board and Committees thereof,

(b) Participation in Board Meetings or Committee thereof,

(c) Contribution to strategic decision making,

(d) Review of risk assessment and risk mitigation,

(e) Review of financial statements, business performance.

(f) Contribution to the enhancement of brand image of the Company.

While evaluating the performance of the Chairman and Managing Director, the Nomination and Remuneration Committee shall always consider the appropriate benchmarks set as per industry standards, the performance of the individual and also of the Company.

Evaluation of performance shall be carried out at least once a year.

The Company shall provide suitable training to the Non-Executive Directors including Independent Directors. Any other need based training shall also be provided.

The Board of Directors shall pay regards to the following parameters for the purpose of evaluating the performance of a particular Director:

In respect of each of the evaluation factors, various aspects have been provided to assist with the evaluation process in respect of performance of Board itself, and of its committees and individual Directors as, such evaluation factors may vary in accordance with their respective functions and duties.

Appraisal of each Director of the Company shall be based on the criteria as mentioned herein below.

Rating Scale	Scale Performance
5	Exceptionally good
4	Good
3	Satisfactory
2	Needs improvement
1	Unacceptable

The Company has chosen to adopt the following Board Performance Evaluation Process:

INDEPENDENT DIRECTORS

Some of the specific issues and questions that should be considered in a **performance evaluation of Independent Director**, in which the concerned Director being evaluated shall not be included, are set out below:

Name of Director being assessed:_____

S. No.	Assessment Criteria	Rating	Remarks/ Comments
1.	Attendance and participations in the meetings		
2.	Raising of concerns to the Board

ANNEXURE – VI

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

Machino Plastics Limited

Plot No. 3 Maruti Joint Venture Complex, Gurgaon, Haryana

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MACHINO PLASTICS LIMITED having CIN L25209HR2003PLC035034. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my Opinion thereon.

Based on our verification of the MACHINO PLASTICS LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st MARCH 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by MACHINO PLASTICS LIMITED for the financial year ended on 31st MARCH 2021 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made there under;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws Framed there under;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Takeovers)Regulations,2011;

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading)Regulations, 1992;

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

(d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations,1998;

(vi) The Apprentices Act, 1961

(vii) The Contract Labour (Regulations & Abolition) Act,1970

(viii) The Employees' Provident Fund & Miscellaneous Provisions Act, 1959

(ix) The Employees' State Insurance Act, 1948

(x) The Employment Exchange (Compulsory Notification Of Vacancies Act), 1959

(xi) The Equal Remuneration Act, 1976

(xii) The Factories Act, 1948

(xiii) The Indian Fatal Accidents Act, 1985

(xiv) The Industries Dispute Act, 1947

(xv) The Industries Employment (Standing Orders Act),1946

(xvi) The Maternity Benefit Act, 1961

(xvii) The Minimum Wages Act, 1948

We have also examined compliance with the applicable clauses of the following:

(a) Secretarial Standards issued by The Institute of Company Secretaries of India.

(b) The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the company has not undertaken any specific transactions as given below:-

(i) Public/Right/Preferential issue of shares / debentures/sweat Equity, etc.

(ii) Redemption / buy-back of securities

(iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act,2013

(iv) Merger / amalgamation / reconstruction, etc.

(v) Foreign technical collaborations with Suzuki Motors Corporation are having shares 941700 @Rs.10 per share in the company.

It should be noted that:

Contingent liabilities and commitments (to the extent not provided for):

i. Contingent liabilities not provided for

Demand under the Central Excise Act of Rs. 58,211,882 (Previous year Rs. 58,211,882)

ii. Commitments

Estimated amount of contracts, remaining to be executed on spare parts of machinery (net of advances) Rs 751,859 (approx.) payable in JPY 1,133,000 (Previous year Rs. Nil).

It should be noted that:

(i) According to the information and explanations given to us and the records of the company examined by us, in our opinion, the company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues as applicable with the appropriate authorities. There was no undisputed amounts payable in arrears, as at March 31st, 2021 for period of more than six months from the date they became payable except for the Sales Tax, the details of which is as under:

Name of the Statute	Nature of dues	Financial Year	Amount (Rs.)	Due Date
The Sales Tax Act	Sales Tax	2017-18	389,951	15th July, 2017

(ii) According to the information and explanations given to us, particulars of dues of Income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess as at March 31st 2021 which have not been deposited on account of a dispute have been stated below:

Name of the Statute	Nature of dues	Amount (Rs.)	Amount Deposit under protest	Period	Forum where dispute is pending
The Central Excise Act,1944	Excise Duty	2,258,355	NIL	F.Y. 2003-04 & 2004-05	Central Excise Depart, Gurgaon Range
The Central Excise Act, 1944	Excise Duty	55,953,527	NIL	F.Y.2013-14 to 2017-18	Additional director General (Adjud.) New Delhi

It should be noted that: Remittance in foreign exchange towards dividends is:

Particulars	Current Year	Previous Year
Number of non - resident shareholders	1	1
Shares held – Equity Shares of Rs.10 each	941,700	941,700
Dividend remitted during the year	NIL	941,700

It should be noted that: Investment in equity share is measured at fair value through other comprehensive income as per Ind AS 109.

The company had made Investment of Face Value of Rs.12, 500,000 in equity shares of Caparo Maruti Limited. The investee company has disputed the shareholding of the Company. The company has filed a petition to Hon'ble Company Law Board, who gave company an option to sell shares to majority shareholders after valuation to make an exit. The Company filed an appeal in the Hon'ble Delhi High Court which dismissing company's appeal upheld Company Law Board order thereafter SLPs were preferred against the orders of the Hon'ble High Court of Delhi before the Hon'ble Supreme Court of India by both the parties. The Hon'ble Supreme Court of India vide its order dated 29th March 2016 dismissed both SLPs. However, it states that the order of dismissal is subject to the result of such case(s) as may be pending between the parties in respect of cancellation of the shares held by the petitioner. The matter is still sub-judice.

In the current circumstances, the company is unable to ascertain the fair value of investment in equity share in Caparo Maruti Limited as it is not practicably feasible to do so.

Consequently, no fair value adjustment has been made in the books of accounts and these equity instruments have been carrying forward at cost as at Balance sheet date.

It should be noted that: Fine pertaining to Regulation 17 to 21 of SEBI (LODR) Regulations, 2015.

In this regard, fine levied for the above mentioned regulation has been withdrawn based on the revised submissions/ written representation made by the company.

Scrip code	Name of the Company	Group	Regulation	Quarter	Fine Amount levied (excl. GST @ 18%)
523248	Machino Plastics Limited	X	19	June 2020	182,000

We further report that, Subject to the matter of emphasis as mentioned in the report, during the audit period the company has generally complied with the requirement of various Acts, Rules and Regulations, Guidelines and standards as are applicable to the company.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW

The year under review was the toughest in the history of the company. It started with an extreme negative outlook. MPL's operations were hit substantially from 22nd March 2020 till 12th May, 2020, when the lockdown was gradually lifted. Manufacturing facilities were shut during the period due to classification of our products as non-essential. With the lifting of the lockdown restrictions, the Company has started re-opening its manufacturing units after establishing thorough and well-rehearsed safety protocols.

In spite of COVID-19 second wave, the Company is optimistic about future growth prospectus. The Country's war against Covid-19 was strengthened with successful developments of vaccines by two local producers and more producers/ suppliers may offer from India and abroad to implement massive vaccination programme undertaken by the country.

Industry Structure & Development

The Company manufactures the plastic injection moulded automotive components i.e. bumpers, instruments panels, grills etc. as original equipment's and for spare parts market primarily for Maruti Suzuki India Limited (MSIL) at two of its manufacturing locations in Gurugram & Manesar in the state of Haryana.

The company has set up tool room manufacturing for mould manufacturing, repairs and their refurbishment facilities in Manesar, Haryana for captive use and to service its customer in a cost efficient manner. The company has received positive response from the market.

The company has been dealing in all size plastics automotive components. The company has 63 nos. injection molding machines, sizes ranging from 100 Ton to 3150 Ton clamping force. The company also provides job work facilities for Industrial Products like pallets, garbage bins etc.

Demand destruction in automotive had a negative impact on the downstream business at the time of the pandemic.

The downstream industry in the country bore the brunt of the nationwide lockdown and the closure of downstream units due to mass labour exodus. The industry revived with the gradual easing of the lockdown and festive season demand, reaching pre-pandemic levels by the end of FY 2020-21.

Opportunities & Threats

Growing market of India has already attracted all major automotive companies to start operation here. India is expected to be one of major auto hub in the world map.

The principal customer of the company is Maruti Suzuki India Limited (MSIL) and growth of the company currently depends mainly on the growth of MSIL. However company does not have plant at Gujarat to cater to Suzuki Motor Gujarat.

MSIL continues to be the leader in Indian car market and has closed the financial year 2020-21 with domestic sale of 1,323,396 units and total sales of 1,457,861 units. Maruti's domestic sale in 2020-21 represents a decline of 9.4% over 2019-20 and total sales in 2020-21 represents a decline of 6.7% over 2019-20.

Your company is positively working towards expanding its operation to other customers.

The small to large size of machine range helps your company to cater to all types of customer's part requirement. Moreover, the machines are versatile to process virtually all types of polymers and can make not only automotive but also other plastic goods by changing moulds. Thus, your company has immense capability to keep pace with the growing and diverse requirement of MSIL as well it has the possibilities for other business besides automotive.

The possible threats to the company can be:

- Fluctuating Market conditions
- Covid-19 (Novel Coronavirus)
- Technological change
- Reduction in market share of main customer
- Competitions

Segment-wise or Product-wise Performance

Currently your company has single segment and it operates in manufacturing of injection moulding plastic components and moulds / dies and is trying to diversify its product and range of industry it caters to. Your company now also has capabilities in moulding smaller and intricate functional and aesthetic parts in automotive and other industries.

Indian economic review

The Indian government announced a complete lockdown in public movement and economic activity from the fourth week of March 2020. The lockdown staggered an already slowing economy as 1.38 billion Indians stayed indoors during one of the most stringent lockdowns anywhere.

The outbreak of the novel coronavirus impacted the Indian economy during the first quarter of the year under review. The Indian economy de-grew 23.9 per cent in the first quarter of 2020-21, the sharpest de-growth experienced by the country since the index was prepared.

The Indian and state governments selectively lifted controls on movement, public gatherings and events from June 2020 onwards. The result is that India's relief consumption, following the lifting of social distancing controls, translated into a full-blown economic recovery. India de-grew at a relatively improved 7.5 per cent in the July-September quarter and reported 0.4 per cent growth in the October-December quarter.

India's GST contracted initially and then recovered in 2020-21. This recovery – one of the most decisive amount major economics – validated India's long-term consumption potential.

Y-o-Y growth of the Indian economy

Region growth %	FY 17-18	FY 18-19	FY 19-20	FY 20-21
Real GDP growth (%)	7	6.1	4.2	(7.3)

Outlook

The Indian economy is projected to grow by 9% in Financial Year 2021-22 as per various institutional estimates, making it one of the fastest-growing economics. India's growth journey could be the result of a culmination of favorable tailwinds like consistent agricultural performance, flattening of the COVID-19 infection curve, increase in government spending, reforms and an efficient roll-out of the vaccine, among others.

However, the only dampener is the surge in Covid-19 in the first quarter of the current financial year that could affect public consumption of products and services.

Indian Automobile Sector

The future growth expected in the domestic automobile industry will give a fillip to the auto component sector. The Indian automobile industry as a whole offers great potential considering the low penetration along with rising income levels and a rapidly growing middle class. These factors will witness a boost in demand for passenger cars and two wheelers. With the automobiles industry fast growing in terms of volume and number of players, your company foresees a bright future.

The Manesar Plant of the company is now the focus area for all future growth of the company.

Risks & Concerns

Though India rides on some inherent strength, following risk factors exist which the auto component manufacturers may have to counter with:

- Economic slowdown can derail the prospects of the industry.
- Volatility in the prices of material and other inputs could erode the industry's cost competitiveness. Furthermore OEMs demand reduction in prices every year.
- Intense competition from counterparts may add further pressure on margin of manufacturers.

Exchange rates fluctuations coupled with movement in prices of Crude Oil and down-stream Petrochemicals, trade war between USA and China, any government sanctions on supply chain etc. are all concern areas.

Any disruption in the economic activities on account of resurgence of COVID-19 pandemic can impact the markets either at raw material manufacturers; customers or operations sites partially can impact the business prospects for that particular period.

Financial Year 2020-21 has been a challenging year with weakening macro-economic conditions, slowing market growths in Auto sector and finally COVID-19 outbreak, this had an adverse impact on our operations with breakage in supply lines, shortage of manpower and disruptions in procurement/transport.

The impact of COVID-19 Pandemic Situation – Update on Operations is disclosed on the website of the company and also enclosed as per Annexure-1.

The overall trend is challenging, but remaining competitive in this changing scenario will be the toughest challenge. The combination of low manufacturing costs along with quality systems would give an edge to companies in terms of pricing and quality. Expansion and diversification will help break into new markets. It would be imperative for these companies, which are largely based on traditional management practices, to imbibe technology in a big way. The SMEs can exploit these opportunities through joint ventures, collaboration and technical tie-ups. Knowledge, specialization, innovation and networking will determine the success of the SMEs in this globally competitive environment.

Your company is power, manpower and capital intensive business.. Power is obtained from Maruti from its co-shared power plant which runs on gas and DHBVN Ltd and DG Set. The increase in per unit cost of power supply will materially affect the cost of production. Company has installed 1350 K.W. Solar Power Plants at its Manesar Plant and Gurgaon plant which is likely to generate 15 lacs units in a year. This will help in power cost management.

Your company has availed net metering facility from UHBVN/DHBVNL/ HVPNL for both Gurugram & Manesar plant of the Company which in turn will save the energy bills.

Risk Management Report

Your Company believes that, periodic review of various risks which have a bearing on the business and operations is vital to proactively manage uncertainty and changes in the internal and external environment so that it can limit the negative impact and capitalize on opportunities.

Risk management framework enables a systematic approach to risk identification, leverage on any opportunities and provides strategies to manage, transfer, avoid or minimize the impact of the risks and helps to ensure sustainable business growth with stability of affairs and operations of the Company.

Keeping the above in view, your Company's risk management is embedded in the business processes. As a part of review of business and operations, your Board with the help of the management periodically reviews various risks associated with the business and products of the Company and considers appropriate risk mitigation processes. However, there are certain risks which cannot be avoided but the impact can only be minimized.

The recent disruption and uncertainty in business due to the COVID-19 pandemic is one such risk due to which the Company's operations have been badly impacted. It might have a long-standing impact on the company's revenues and margins due to incapacitation of sections of the workforce, reduced productivity, and impact on emotional wellbeing during lockdown/quarantine, disruption of supply chains, suppliers' inability to service and non-opening of markets due to extended period of lockdown. Demand for the Company's products may just not be adversely affected in industry segments directly impacted by the pandemic like travel and hospitality, but across other segments as well due to a sharp slowdown of the world's major economies. This is likely to affect the company's earnings in the short and medium-term. However, your Company's significant scale and broad geographical exposure focus on value added applications, coupled with cost control measures are expected to facilitate the transition.

The risks and concerns associated with each segment of your Company's business are discussed while reviewing segment-wise Management Discussion and Analysis. The other risks that the management review includes:

a) **Industry and services risk:** This includes economic risks like demand and supply chain, profitability, gestation period etc.; services risks like infrastructural facilities; market risks like consumer preferences and distribution channel etc.; business dynamics like inflation/deflation etc.; competition risks like cost effectiveness.

b) **Management and operational risks:** This includes risks to property; clear and well-defined work process; changes in technology/ upgradation; R&D risks; agency network risks; personnel and labour turnover risks; environmental and pollution control regulations; locational benefits near metros.

c) **Market risks:** This includes raw material rates; quantities, quality, suppliers, lead time, interest rate and forex risk.

d) **Political risks:** This includes elections; war risks; country / area risks; insurance risks like fire, strikes, riots and civil commotion, marine risks, cargo risks etc.; fiscal/monetary policy risks including taxation risk.

e) **Credit risks:** This includes creditworthiness; risks in settlement of dues by clients and provisions for doubtful and bad debts.

f) **Liquidity risks:** This includes risks like financial solvency and liquidity; borrowing limits, delays; cash/ reserve management risks and tax risks.

g) **Disaster risks:** This includes natural calamities like fires, floods, earthquakes, etc.; man made risk factors arising under the Factories Act, Mines Act, etc.; risk of failure of effective disaster management plans formulated by the Company.

h) **System risks:** This includes system capacities and system reliability risks; obsolescence risk; data integrity risk and coordination and interface risk.

i) **Legal risks:** This includes contract risks; contractual liabilities; frauds; judicial risks and insurance risk.

j) **Government policies:** This includes exemptions, import licenses, income tax and sales tax holidays, subsidies, tax benefits etc.

Financial Performance

The turnover of your company has decreased by 13% from Rs. 24,200.19 lacs in 2019-20 to Rs. 21,024.89 lacs in current year. Your company has earned a pretax loss of Rs. 576.26 lacs as compared to pretax loss of Rs.851.47 lacs in the last year.

Sl. No.	Particulars	Period	
		2019-20	2020-21
1	Debtor Turnover Ratio (No of Days)	48	51
2	Inventory Turnover Ratio (No of Days)	27	38
3	Interest coverage ratio	2.45	2.31
4	Current Ratio	0.62	0.74
5	Long Term Debt Equity Ratio	1.06	1.11
6	Operating Profit / (Loss) Margin (%)	(0.34)	0.67
7	Net Profit / (Loss) Margin	(1.86)	(1.95)

Internal Financial Control System and their adequacy

The Company's internal audit system has been continuously monitored and updated to ensure that assests are safeguarded, established regulations are complied with and pending issues are addressed promptly Your company has adequate internal control systems commensurate with its size and operations, although not documented. The company regularly gets its accounts audited from the internal auditor.

Further internal audit has been out sourced to M/s Goel Garg & Co., Chartered Accountants. The Audit covers all the areas e.g. Finance, HR, Purchase, Statutory Compliance etc. and regular audits are conducted by Internal Auditors.

Further, the audit committee reviews reports presented by the internal auditors on a routine basis. The committee makes note of the audit observations and takes corrective actions wherever necessary. It maintains constant dialogue with statutory and internal auditors to ensure that internal control systems are operating effectively. Based on its evaluation (as provided under section 177 of the Companies Act, 2013 and Regulation 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March, 2021, the Internal Financial Controls were adequate and operating effectively.

M/S. KMGS & Co. Chartered Accountants, the Statutory Auditors of the Company audited the financial statements included in this Annual Report and issued a report on the internal controls over financial reporting (as defined in Section 143 of the Companies Act, 2013).

Contingent liabilities and commitments:

(i) Contingent liabilities not provided for

Demand under the Central Excise Act of Rs. 58,211,882 (Previous year Rs. 58,211,882) Based on familiarity with the matters and legal position prevailing as on date, management believe that the issue being raised by the revenue authorities in the above matters does not have any statutory backing and is supported by various judicial precedents in favour of the Company. In management's view, the Company has a strong case in its favour in the above matters.

(ii) Commitments

Estimated amount of contracts, remaining to be executed on spare parts of machinery (net of advances) Rs. 751,859 (approx.) payable in JPY 1,133,000 (Previous year Rs. Nil).

Human Resources/Industrial Resources

The Company believes that the quality of employees is the key to its success. In view of this, it is committed to equip them with skills, enabling them to evolve with technological advancements.

During the year, various initiatives had been taken by the Company to improve the performance and productivity levels in various departments of the company. The company has its own in-house technical center in the plant to train the new recruits before their placement that helps in optimum utilization of resources as well as maintaining quality standards. It also indulges into and implements various HR initiatives and activities including employee welfare, special rewards, performance review system and various employee motivation activities.

The HR department of the Company was continuously in touch with employees to guide and solve problems. It created awareness regarding COVID-19 and educated employees about precautions. The Company prepared a systematic operating plan to address COVID-19 after the lockdown is lifted.

The company has already undertaken KAIZEN with an aim to become a world class company. Your company has already adopted the suggestions scheme in the company which is increasing the employee's participation in managing the company.

Cautionary Statement

Management Discussion and Analysis Report may be forward looking statement. Actual result may differ materially from those expressed or implied depending upon global and Indian regulations, tax regimes, and economic developments within India and overseas.

ANNEXURE-1

COVID-19 Pandemic Situation – Update on Operations

1. **Impact on the business**

The lockdowns and restrictions imposed on various activities due to COVID-19 pandemic have posed challenges to all the business activities of Machino Plastics Limited (MPL).

With the lifting of the lockdown restrictions, the Company has started re-opening its manufacturing units after establishing thorough and well-rehearsed safety protocols. However, since the markets have already opened across the segments and a clear upward trend is visible in daily sales numbers of our customers, the management of the Company is quite confident that the business operations will pick up progressively.

However, since this situation is exceptional and is changing dynamically, the management of the MPL is not in a position to gauge with certainty, the future impact on its operations. The management of the Company expects the operations to remain sub-normal in the immediate future, with a possibility of intermittent disruptions based on the evolving

situation and varying Government guidelines and permissions. The Company continues to closely monitor the situation and shall take appropriate action as per regulatory guidelines.

2. **Ability to maintain operations including the factories / units / office spaces functioning and closed down**

   As stated earlier, manufacturing facilities and other units were shut down entirely during the lockdown phase as the Company was not part of Government denominated essential services. The Company has re-started its operations considering permissible workforce since 12th May 2020, adhering to the safety norms prescribed by the government.

3. **Schedule, if any, for restarting the operations**

   With the lifting of the lockdown restrictions, operations have already been started partially with permitted workforce and shall be further scaled up keeping in view the Government guidelines to be issued from time to time.

4. **Steps taken to ensure smooth functioning of operations**

   The Company is taking utmost care of its staff and work force like sanitization, social distancing, mandatory mask wearing, thermal check of temperature at the gate, maintaining proper hygiene. Supply chain is being monitored to ensure availability of material. The Company has enough resources to meet its liabilities towards suppliers, employees and other service providers.

5. **Estimation of future impact of the CoVID-19 on its operations**

   The temporary suspension of manufacturing and the continuing reduced levels of operations are likely to have some financial impact. The Company would be able to absorb this.

6. **Details of impact of COVID-19 based on certain performance parameters:**

   a) **Capital and financial resources and profitability**

   The Company's capital and Banking facilities remain the same. There are no liquidity concerns as resources are available in-house to settle all the liabilities and resume operations normally.

   b) **Liquidity Position**

   There are no liquidity concerns as we have sufficient internal resources. The receivables are being collected although with some delays. We are sure to manage the situation well.

   c) **Assets** – No impact

   d) **Internal Financial reporting and Control**

   All the internal financial controls are in place as they were in the normal periods. All the controls are being adhered to. The reporting requirements are being fulfilled as stipulated and are being complied.

   e) **Supply Chain**

   Since the re-start of the operations of the Company are aligned with that of the suppliers, transporters and other service providers, we do not expect any significant issues with respect to supply chain.

   f) **Demand for products / services**

   With the re-opening of almost all the States, where the Company has major business, situation is becoming normal except for the month of April 2020 when it was total lock down across India.

7. **Existing contracts / agreements where non-fulfillment of the obligations by any party will have significant impact on the listed entity's business**

   The Company does not foresee significant impact in respect of its existing contracts and agreements where the non-fulfillment of obligations by any party would lead to any material financial claim by or against the Company.

8. **Other relevant material updates about the listed entity's business**

   No other material matter can be identified at present. We will continue to follow the recommendations / advisories as may be issued from time to time by the relevant authorities.

Cautionary Statement

Statements given herein describing the Company's objectives, expectations or forecasts may be forward looking within the meaning of applicable securities law and regulations. Actual results may differ materially from those expressed herein. Important factors that could influence the Company's operations include actions to contain or treat the Covid-19 disease and mitigate its impact on the economies of the affected countries, demand and supply conditions affecting selling prices of finished goods, input availability and rates, changes in the government regulations, tax laws, economic developments within the country and litigation and industrial relations, among others.

CORPORATE GOVERNANCE REPORT

In terms of Regulation 27 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Compliance Report on Corporate Governance is as reported below:

Company philosophy on Corporate Governance

Corporate Governance essentially is the system by which companies are directed and controlled by the management in the best interest of the stakeholders and others. Corporate Governance ensures fairness, transparency and integrity of the management. Corporate Governance is a way of life, rather than a mere legal compulsion. It further inspires and strengthens investors' confidence and commitment to the company.

Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success, and we remain committed to maximizing stakeholders' value. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all.

The company, through its Board and Committees, endeavors to strike and deliver the highest governing standards for the benefit of its stakeholders.

Corporate Governance Monitoring and Review Process at Machino:

Machino Plastics Limited continuously reviews its policies and practices of corporate governance with a clear goal not merely to comply with statutory requirements in letter and spirit but also constantly endeavors to implement the best international practices of Corporate Governance, in the overall interest of all stakeholders.

(II) BOARD MEETINGS, ITS COMMITTEE MEETINGS AND PROCEDURES

A. Institutionalized decision making process

The annual calendar of Board Meetings is agreed upon at the beginning of the year. The Agenda is circulated well in advance to the Board members. The items in agenda are backed by comprehensive background information to enable the Board to take appropriate decisions. In addition to the information required under Regulation 17(7) and Part A of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the board is also kept informed of major events/items and approvals taken wherever necessary. The Managing Director at the Board Meetings keeps the Board apprise of the overall performance of the Company.

The Board of Director is the apex body constituted by the shareholders entrusted with the overall management of the company. The Board provides and evaluates the strategic direction of the Company, management policies and their effectiveness and ensures that the long-term interest of the shareholders is being served. The managing director is assisted by senior managerial personnel.

The following sub-sections deal with the practice of these guidelines at Machino Plastics Limited.

B. Scheduling and selection of Agenda items for Board Meetings

(i) Minimum four Board Meetings are held every year. Apart from the above, additional Board Meetings are convened by giving appropriate notice to address the specific needs of the company. In case of business exigencies or urgency of matters, resolutions are passed by circulation.

(ii) The meetings are usually held at the Company's Registered Office at Plot No. 3 Maruti Joint Venture Complex, Udyog Vihar Phase-IV, Gurugram (Haryana)-122015.

(iii) All divisions/departments of the company are advised to schedule their work plan well in advance, particularly with regard to matters requiring discussion / approval / decision of the Board / Committee Meetings. All such matters are communicated to the company secretary in advance so that the same could be included in the Agenda for the Board / Committee Meetings.

Information required to be placed before the Board:

The board has unfettered and complete access to any information within the company. Among others, the board information regularly supplied to the board includes:

- Annual operating plans and budgets and any updates.
- Capital budget of any updates.
- Quarterly audited results of the company and its operating divisions or business segments.
- Minutes of meetings of board, audit committee and other committees of board.
- Information on recruitment and remuneration of senior officers just below the board level, including appointment or removal of Chief Financial Officer and the Company Secretary.
- Declaration of Dividend.
- Materially important litigation, show cause, demand, prosecution notices and penalty notices.
- Fatal or serious accidents, dangerous occurrences, any material effluent or pollution problems.
- Any material default in financial obligations to and by the company or substantial non-payment for goods sold by the company.
- Any issue, which involves possible public or product liability claims of substantial nature, including any judgment or order which, may have passed strictures on the conduct of the company or taken an adverse view regarding another enterprise that can have negative implications on the company.
- Details of any joint venture or collaboration agreement.
- Transactions that involve substantial payment towards goodwill, brand equity or intellectual property.

- Significant labour problems and their proposed solutions. Any significant development in Human Resources/Industrial Relations front like signing of wage agreement, implementation of Voluntary Retirement Scheme etc.
- Significant sale of investments, subsidiaries, assets which are material in nature and not in the normal course of business.
- Quarterly details of foreign exchange exposure and the steps taken by management to limit the risks of adverse exchange rate movements, if material.
- Non-compliance of any regulatory, statutory nature or listing requirements as well as shareholder services such as non-payment of dividend and delay in share transfer.
- Risk assessment & minimization procedures.

C. Board Material distributed in advance

Agenda and notes on agenda are circulated to the Directors, in advance. Where it is not practicable to attach any document to the agenda, the same is tabled before the meeting with specific reference to this effect in the Agenda. In special and exceptional circumstances, additional or supplementary item(s) on the agenda are permitted.

D. Recording Minutes of Proceedings at Board and Committee meetings

The Company Secretary records the minutes of the proceedings of each Board and Committee meetings. The draft minutes are circulated to all the members of the Board/ committee with next board agenda for their confirmation.

E. Post Meeting Follow-up Mechanism

The guidelines for Board and Committee meetings facilitate an effective post meeting follow-up, review and reporting process for the decisions taken by the Board and Committees thereof. The important decisions taken at the Board/Committee meetings are communicated to the departments/divisions concerned promptly. Action taken report on the decisions/minutes of the previous meeting(s) is placed at the immediately succeeding meeting of the Board/Committee for noting by the Board/Committee.

F. The company secretary while preparing the agenda, notes on agenda, minutes etc. of the meeting(s), is responsible for and is required to ensure compliance with all the applicable laws and regulations including the Companies Act, 2013 read with the Rules issued there under.

(III) Number of Board Meetings

During the last financial year, four board Meetings were held during the year. The company has held at least one board meeting in every quarter and the maximum time gap between any such two meetings was not more than 120 days. Due to Covid pandemic, time gap for conducting Board meetings relaxed to 180 days from 120 days – for the first two quarters of FY 2020-2021. The details of the Board meetings are as under:-

S. No.	Date	Board strength	No. of Directors present

(IV) BOARD COMMITTEES

Committees appointed by the Board focus on specific areas, and take decisions within the authority delegated to them by the Board. The committees also make specific recommendations to the Board on various matters from time to time. All decisions and recommendations of the committees are placed before the board for information or approval. Company has following committees:

- Audit committee
- Stakeholder Relationship Committee
- Share Transfer Committee
- Nomination and Remuneration Committee
- Committee Against Sexual Harassment

A. Audit Committee

The Audit Committee was constituted in conformity with the requirements of Section 177 of the Companies Act, 2013 and Regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The committee comprises of five directors including one promoter and four independent directors. The composition of committee is as under:

Director	Executive/Non-executive/Independent	Position	Remarks
*Mr. Aditya Jindal	Executive Director/ Promoter	Member	--
**Mrs. Anupam Gupta	Independent Director	Chairperson	--
Mr. Ajit Yadav	Independent Director	Member	--
Dr. Sandeep Goel	Independent Director	Member	--
Mr. Rajiv Kumar Singh	Independent Director	Member	--

The Audit committee assists the board in its responsibility for overseeing the quality and integrity of the accounting, auditing and reporting practices of the company and its compliance with the legal and regulatory requirements. The committee's purpose is to oversee the accounting and financial reporting process of the company, the audit of the company's financial statements, the appointment, independence and performance of internal auditors and the company's risk management policies.

The company has combined the audit committee with the risk management committee in its meeting held on 25th June, 2020.

*Mr. Aditya Jindal has been appointed as a member of Audit Committee in place of Mr. Sanjiivv Jindall w.e.f. 01.04.2020.

**Mrs. Anupam Gupta has been re-appointed as a member and Chairperson of Audit Committee w.e.f. 12.11.2020.

Terms of reference of the Audit Committee inter alia includes:

(i) Review of the following information:

a) Any change in Accounting policies and practices;

b) Major accounting entries involving estimates based on exercise of judgment by management;

c) Significant adjustments made in the financial statements arising out of audit findings;

d) Going concern assumption;

e) Compliance with the listing and other legal requirements concerning financial statements;

f) Reviewing with the management performance of statutory auditors

g) To look into the reasons for substantial defaults in the payment to the shareholders (in case of payment of declared dividends) and creditors;

h) The functioning of whistle blowing mechanism;

i) Reviewing the adequacy of internal audit function including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;

j) Management discussion and analysis of financial condition and results of operations;

k) Discussion with internal auditors, any significant findings and follow up there on;

l) Management letters/letters of internal control weakness issued by the statutory auditors.

m) Statement of significant related parties transactions submitted by the management;

n) Internal audit report relating to internal control weaknesses; and

o) The appointment, removal and term of remuneration of the Chief Internal Auditor shall be subject to review of the committee.

(ii) Disclosure of the following information:

a) **Related party transaction:**

- Identification of related parties as per Ind AS-24.
- Statement in summary form of transactions with related parties in the ordinary course of business.
- Statement of material individual transactions with related parties which are not on arm's length basis.

b) Compliances with Accounting Standards, and if in preparation of financial statements, a treatment different form that prescribed in an accounting standard has been followed, management explanation for the same;

CEO CERTIFICATION

We, Aditya Jindal, Chairman cum Managing Director and Sanjiivv Jindall, Whole Time Director-Strategy of Machino Plastics Limited to the best of my knowledge and belief hereby certify that:

(a) We have reviewed financial statements and the cash flow statement for the financial year ended on 31st March, 2021 and:

  (i) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;

  (ii) These statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.

(b) There are, to the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or violative of the company's code of conduct.

(c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and we have disclosed to the auditors and the Audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.

(d) We have indicated to the auditors and the audit committee:

  (i) Significant changes in internal control over financial reporting during the year,

  (ii) Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and

  (iii) Instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having significant role in the company's internal control system over financial reporting.

Plot No. 3 Maruti Joint Venture
Complex, Gurgaon, Haryana

We have examined the compliance of conditions of Corporate Governance of Machino Plastics Limited having CIN L25209HR2003PLC035034 and having registered office at Plot No. 3, Maruti Joint Venture Complex, Gurgaon, Haryana for the year ended 31st March 2021 as stipulated in Regulation 27 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 of the said Company with the Stock Exchange.

The compliance of Conditions of Corporate Governance is the responsibility of the management. Our Examination was limited to procedures and implementation thereof, adopted by company for ensuring the compliance of conditions of Corporate Governance. It is neither an audit nor an expression of opinion on financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in above mentioned Listing Regulations.

We state that no investor grievance(s) is pending for a period exceeding one month against the company as per records maintained by the company.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MACHINO PLASTICS LIMITED

Report on the Audit of the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Machino Plastics Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the "*Auditor's Responsibilities for the Audit of the Ind AS Financial Statements*" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind As financial statements. The results of the audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Key Audit Matter	**Auditor's Response**
Contingent Liabilities (as described in note 31 of the Ind AS financial statements)	
As of March 31, 2021, the Company has disclosed contingent liabilities of Rs.582.11 lakhs relating to tax claims. Taxation exposures have been identified as a key audit matter due to the uncertainties involved in these tax claims. Due to uncertainty of cases, timescales for resolution and need to negotiate with various authorities, there is significant judgment required by management in assessing the exposure of each case and thus a risk that such cases may not be adequately provided for or disclosed in the Ind AS financial statements. Accordingly, contingent liabilities were determined to be a key audit matter in our audit of the Ind AS financial statements.	Our audit procedures included the following: • Gained an understanding of the process of identification of claims and contingent liabilities, and evaluated the design and tested the operating effectiveness of key controls. • Obtained the Company's cases summary and critically assessed management's position through discussions with the Tax head and company management, on both the probability of success in significant cases, and the magnitude of potential loss. • Checked the adequacy of the disclosures with regard to facts and circumstances of the matters.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the Ind AS financial statements and our auditor's report thereon. The Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Company's Annual Report, if we conclude that there is a material misstatement therein, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards(Ind As) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

   d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

   g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

      In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements. Refer Note 39 to the financial statements;

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure 'A' to the independent auditor's report of even date on the Ind AS financial statements of MACHINO PLASTICS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Machino Plastics Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintain internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the Inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial over financial reporting to future periods

are subject to the risk that the internal financial control over financial reporting may become inadequate because of changed in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 of Report on Other Legal and Regulatory Requirements of the auditors' report of even date to the members of Machino Plastics Limited on the financial statements for the year ended 31st March'2021)

In terms of information and explanations given to us and the books and records examined by us, we report that:

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) According to the information and explanations given to us, the fixed assets were physically verified during the year by the management in accordance with the programme of verification, which in our opinion is reasonable having regard to the size of the company and the nature of its assets. To the best of our knowledge, no material discrepancies were noticed on verification conducted during the year as compared with the book records.

(c) Based upon the audit procedures performed, the title deeds of the immovable property are held in the name of the company.

(ii) The management has conducted physical verification of inventory at reasonable intervals during the year. No material discrepancies were noticed on physical verification carried out at the end of the year.

(iii) As informed, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, sub-clause (a) and (b) are not applicable.

(iv) In our opinion and according to the information and explanations given to us, the company has not given any loan, made any investment, given any guarantee, and provided any security which is covered by Section 185 and 186 of the Companies Act 2013. Accordingly, the provisions of clause 3(iv) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

(v) The Company has not accepted any deposits from the public. Accordingly, the provisions of clause 3(v) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

(vi) To the best of our knowledge and as explained, the Central Government has not prescribed maintenance of cost records under clause (d) of sub-section (1) of section 148 of the Companies Act, 2013 for the products of the Company.

(vii) (a) According to the information and explanations given to us and the records of the company examined by us, in our opinion, the company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues as applicable with the appropriate authorities. *There was no undisputed amounts payable in arrears, as at March 31st, 2021 for period of more than six months from the date they became payable except for the Sales Tax, the details of which is as under:*

Name of the Statute	Nature of dues	Financial Year	Amount (Rs.)	Due Date
The Sales Tax Act	Sales Tax	2017-18	389,951	15th July, 2017

(b) According to the information and explanations given to us, particulars of dues of Income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess as at March 31st 2021 which have not been deposited on account of a dispute have been stated below:

Name of the Statute	Nature of dues	Amount (Rs.)	Amount Deposit under protest	Period	Forum where dispute is pending
The Central Excise Act,1944	Excise Duty	2,258,355	Nil	F.Y 2003-04 & 2004-05	Commissioner Of Central Excise, Delhi-III
The Central Excise Act,1944	Excise Duty	55,953,527	Nil	F.Y 2013-14 to 2017-18	Directorate General of Goods and Services Tax-Intelligence Gurgaon

(viii) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of dues to any bank and financial institution.

(ix) Based on information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained. The company has not raised any money by way of initial public offer or further public offer (including debt instruments).

(x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the course of our audit.

(xi) Based upon the information and explanations given to us by the management, the Company has paid or provided the managerial remuneration in accordance with the requisite approvals mandated by provisions of section 197 read with Schedule V to the Companies Act.

(xii) In our opinion, the Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

(xiii) Based on information and explanations given to us by the management, all transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS financial Statements as required by the applicable Indian Accounting Standards.

(xiv) Based on information and explanations given to us by the management, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review. Accordingly, the provisions of clause 3(xiv) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, the company has not entered into any non-cash transaction with directors or person connected with him which is covered by Section 192 of the Companies Act 2013. Accordingly, the provisions of clause 3(xv) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

(xvi) In our opinion and according to the information and explanations given to us, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi) of the Companies (Auditor's Report) Order, 2016 are not applicable to the Company.

Notes forming part of the standalone financial statement for the year ended 31 March, 2021

Note 1:- SIGNIFICANT ACCOUNTING POLICIES

1. Company Overview

Machino Plastics Limited is India's first and largest plastic bumper and dashboard manufacturer company. The company has its own state-of-art plastic moulding product development division. The company is providing turnkey solutions through an integrated approach of designing, tooling, manufacturing and assembling most complex products. The company is a joint venture of Maruti Suzuki India Ltd and Suzuki Motor Corporation, Japan for the manufacture of injection moulded automotive i.e. bumpers, instrument panels, grills etc as original equipment and for spare parts market primarily for Maruti Suzuki India Limited. The company also manufactures various automotive components for others manufacturers. The company also manufactures moulds for in house requirements & others like Maruti Suzuki India Limited, Mann + Hummel Filter Private Limited, VE Commercial Vehicles Limited etc. Company has two manufacturing plants located at Gurgaon & Manesar (Haryana) and two warehouses located at Manesar (Haryana) & Pithampur (Madhya Pradesh).

The Company is a public limited company incorporated and domiciled in India and has its registered office at Plot No 3, Maruti Joint Venture Complex, Gurgaon, Haryana - 122015. The Company has listed on the BSE Ltd.

The financial statements are approved for issue by the Company's Board of Directors on 22nd June 2021.

2. Preparation and Presentation of Financial Statements

2.1 Basis of preparation and measurement

a) These financial statements have been prepared as a going concern in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, defined benefit plans-plan assets measured at fair value, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year figures reported in this statement.

New and amended standards adopted by the Company

The company has applied the following standards and amendments for the first time for their annual reporting period commencing 01 April 2020:

- Definition of material – amendments to Ind AS 1 and Ind AS 8
- Definition of business – amendments to Ind AS 103
- Covid -19 related concessions – amendments to Ind AS 116
- Interest rate benchmark reform – amendments to Ind AS 109 and Ind AS 107

The amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly effect the current or future periods.

Standards issued but not yet effective

Ministry of Corporate Affairs (MCA), vide its notification dated March 24, 2021, amended Schedule III of the Companies Act, 2013 with effect from April 1, 2021. Management is of the view that since the changes are applicable from April 1, 2021, those are applicable for the financial year commencing from April 1, 2021 and are applicable to financial statements issued in respect of accounting years commencing on or after April 1st, 2021. Therefore, related disclosures are not considered in these financial statements for the year ended on March 31, 2021, although issued after April 1, 2021.

b) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the nature of product / activities of the Company and the normal time between acquisition of assets/liabilities and their realisation / settlement in cash or cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

c) Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in para (d) below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, inventories, receivables and other current assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources on the expected future performance of the company. Based on current estimates the Company expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

i. Expected credit loss:

The Company has considered the current and anticipated future conditions relating to industries the Company deals with. In calculating expected credit loss, the Company has also considered related credit information for its customers to estimate the probability of defaults in future and has taken into account estimates of possible effect from the pandemic, COVID-19 using the forward looking approach prescribed by Ind AS 109.

ii. Impact on unhedged foreign currency exposure:

Based on its assessment, the Company believes that the probabilities of occurrence of its forecasted transactions are not likely to be impacted by COVID-19. Hence, the Company continues to believe that there is no foreseeable impact on the effectiveness of its cash flow hedges due to this global pandemic.

iii. Impact on revenue:

The Company continues to re-evaluate the probable revenues from customers in various verticals to assess any possible drops in revenue from any of these verticals due to the economic stress caused by COVID-19. Accordingly, it is the opinion of the Company that the customers could re-prioritise their discretionary spends in the immediate future to conserve resources.

The impact assessment of COVID – 19 is a continuing process given the uncertainties associated with its nature and duration. The Company has considered the same to the extent known currently and has taken steps to measure the cost budgets required to complete its performance obligations in respect of fixed price contracts and incorporated the impact of likely delays and costs in meeting its obligations.

d) Critical accounting estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

i) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology. Refer to Note 3(a).

ii) Revenue recognition

The Company's contracts with customers include promises to transfer multiple products and services to a customer. Revenue from customer contracts are considered for recognition and measurement when the contract has been approved by the parties to the contract, the parties to the contract are committed to perform their respective obligations under the contract, and the contract is legally enforceable. The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligations to determine the deliverables and the ability of the customer to benefit independently from such deliverables and allocation of transaction price to these distinct performance obligations involves significant judgement.

The Company uses the percentage-of-completion method in accounting for its fixed-price contracts. Use of the percentage-of-completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

Further, the Company uses significant judgement while determining the transaction price allocated to performance obligations using the expected cost plus margin approach.

In respect of the contracts where the transaction price is payable as revenue share at pre-defined percentage of customer revenue and bearing in mind, the time gap between the close of the accounting period and availability of the revenue report from the customer, the Company is required to use its judgement to ascertain the income from revenue share on the basis of historical trends of customer revenue.

iii) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the

importance of the underlying asset to company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the lease contracts. Refer to Note 3(h).

iv) Non-current assets held for sale

Assets held for sale are measured at the lower of carrying amount or fair value less costs to sell. The determination of fair value less costs to sell includes use of management estimates and assumptions. The fair value of the assets held for sale has been estimated using valuation techniques (including income and market approach), which include unobservable inputs. Non-current assets and disposal group that ceases to be classified as "Held for Sale" shall be measured at the lower of carrying amount before the non-current asset and disposal group was classified as "Held for Sale" and its recoverable amount at the date of the subsequent decision not to sell. Recoverable amounts of assets reclassified from "Held for Sale" have been estimated using the Management's assumptions which consist of significant unobservable inputs.

v) Provisions

Provisions are determined based on the best estimate required to settle the obligation at the reporting date. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. These estimates are reviewed at each balance sheet date and adjust to reflect the current best estimates.

vi) Allowance for credit losses on receivables

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

3. Significant Accounting Policies

a) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method based on estimated useful life of assets as prescribed in schedule II to the Companies Act, 2013 except Moulds, Trolley and Bins. The useful lives of the assets are as follows:

Class of Assets	Useful life
Buildings	30 Years
Plant & Machinery	15 Years
Computer	3 Years
Office Equipment	5 Years
Furniture	10 Years
Vehicles	8 Years
Electrical Installation	10 Years

The useful life and method of depreciation of the following assets has been determined by the management of the company. Depreciation on Trolley and Bins is provided on straight- line method and on Moulds written down value method. The useful lives of the assets are as follows:

Class of Assets	Useful life
Moulds	3 Years
Trolley	4 Years
Bins	2 Years

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under "Capital work-in-progress". Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

b) Intangible Assets:-

Intangible assets acquired separately are measured on initial recognition at cost less accumulated amortisation and accumulated impairment losses, if any.

The cost of an intangible asset includes purchase cost (net of rebates and discounts), including any import duties and non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use.

The Cost of Intangible assets are amortized on a straight line basis over their estimated useful life which is as follows.

Class of Assets	Useful Life
Software	3 Years

The amortisation period and method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

An intangible asset is derecognized on disposal or when no future economic benefits are expected from use. Gains and losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognized or on disposal.

c) Impairment of tangible assets and intangible assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

d) Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used in the production of goods and services or for the administrative purposes is classified as investment property. Investment property is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties are depreciated using the straight- line method over the estimated useful lives.

e) Inventories:-

i) Basis of valuation :

Inventories are valued at the lower of cost or net realizable value after providing cost of obsolescence, if any. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on and item-by-item basis.

ii) Method of valuation:

Cost of raw materials has been determined by using first-in-first-out method and comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work in progress comprises direct materials, direct labour and an appropriate proportion of variable and fixed overheads based on normal operating capacity, Cost is determined on first-in-first-out method basis.

Cost of traded goods has been determined by using first-in-first-out method and comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Due allowances are made in respect of slow-moving, non-moving and obsolete inventory based on estimates made by the management.

f) Foreign currency translation

Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates (‘the functional currency’). The financial statements are presented in Indian rupee, which is the Company’s functional and presentation currency.

Transactions and translations

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of transactions. Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are recognized in the Statement of Profit and Loss and reported within exchange gains / (losses) on translation of assets and liabilities, net, except when deferred in “other comprehensive income” as qualifying cash flow hedges. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. The related revenue and expense are recognized using the same exchange rate.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as adjustment to interest costs on those foreign currency borrowings

g) Revenue Recognition

i) Revenue from contracts with customer

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives / discounts. Accumulated experience is used to estimate and provide for the discounts / right of return, using the expected value method.

No element of financing is deemed present as the sales are made with credit terms consistent with market practices. A receivable is recognised when the goods are dispatched, delivered or upon formal customer acceptance depending on terms of contract with the customer.

ii) Interest and dividend income

Interest income is recognised using the effective interest method.

When a loan and receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument and continues unwinding the discount as interest income. Interest income on impaired loan and receivables is recognised using the original effective interest rate.

Dividend income is recognised when the right to receive payment is established. Incomes from investments are accounted on an accrual basis.

h) Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

(iii) the Company has the right to direct the use of the asset.

The Company as a lessee

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Lease for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

i. Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which these incurred except loan processing fees which is recognized as per effective rate of interest method.

j. Financial Instruments

Financial assets

The Company classifies its financial assets in the following categories:

i) **Financial assets at amortised cost –**

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

These are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value which usually represents cost plus transaction costs and subsequently, if maturing after 12 months period, carried at amortised cost using the effective interest method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security and other deposits, cash and cash equivalent, employee and other advances.

ii) **Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI) –**

All equity investments are measured at fair values. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as at FVTOCI, all fair value changes on the investment are recognised in Other Comprehensive Income (OCI). The accumulated gains or losses are recognised in OCI are reclassified to retained earnings on sale of such investment.

iii) **Financial assets at Fair Value through Profit and Loss (FVTPL) –**

Financial assets which are not classified in any of the categories above measured at FVTPL. These include surplus funds invested in mutual funds etc.

iv) **Impairment of financial assets –**

The Company assesses expected credit losses associated with its assets carried at amortised cost and fair value through other comprehensive income based on Company's past history of recovery, credit-worthiness of the counter party and existing market conditions. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach for recognition of impairment allowance as provided in Ind AS 109 – Financial Instruments, which requires expected lifetime losses to be recognised on initial recognition of the receivables.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in case of loans and borrowings net of directly attributable costs.

Financial liabilities are subsequently measured at amortised cost using effective interest. For trade and other payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity of these investments.

Financial Guarantee Contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because the beneficiary fails to make payments when due in accordance with the terms of a debt instrument. Financial guarantee contracts issued by the Company are measured at their applicable fair values.

Fair value measurement

The Company classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation:

i) Level 1: The fair value of financial instruments quoted in active markets is based on their quoted closing price at the Balance Sheet date.

ii) Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.

iii) Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

k. Investment in equity

All equity investments in scope of Ind AS 109 are measured at fair value other than investment in subsidiary, Associates and Joint venture. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by- instrument basis.

l. Income Tax

i) Current Income Tax

Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in Other Comprehensive Income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

ii) Deferred Tax:

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Current and Deferred Tax are recognised in the Statement of Profit and Loss except to items recognised directly in Other Comprehensive Income or equity in which case the deferred tax is recognised in Other Comprehensive Income or equity respectively.

iii) Dividend Distribution Tax:

Tax on Dividends declared by the Company is recognised as an appropriation of Profit. Dividend Distribution Tax is not applicable from April 1, 2020.

m. Employee Benefits

i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii) Post retirement employee benefits:

The Company operates the following post- employment schemes

(a) Defined benefit plans such as gratuity; and

(b) Defined contribution plans such as provident fund

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by the discounting the estimated future

cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss.

Defined contribution plans

The company pays provident fund contributions to publicly administered funds as per local regulations and gratuity (for qualifying executives / whole time directors) to Life Insurance Company (LIC). The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

iii) Bonus plans

The company recognizes a liability and an expense for bonuses. The company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

iv) Other employee benefits:

The liabilities for earned leaves and compensated absences are settled at the year end.

n. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is a possible asset arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised till the realisation of the income is virtually certain. However, the same are disclosed in the financial statements where inflows of economic benefits are possible.

o. Cash and cash equivalents

Cash and cash equivalents for the purpose of presentation in the statement of cash flows comprises of cash at bank and in hand, bank overdraft and short term highly liquid investments/bank deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

p. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted but disclosed.

q. Earnings Per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

r. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

s. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) as defined by Ind AS- 108, “Operating segment”.

Company’s income and expenses including interest are considered as part of un-allocable income and expenses which are not identifiable to any business segment. Company’s asset and liabilities are considered as part of un-allocable assets and liabilities which are not identifiable to any separate business segment.

t. Financial Risk Management

Risk management framework

The Company’s Board of Director has overall responsibility for the establishment and oversight of the Company’s risk management framework. The Board has established the Risk Management Policy.

The Company’s risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the

Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit function, which regularly reviews risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has exposure to Credit, Liquidity and Market risks arising from financial instruments:

A. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Trade and other receivables:-

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the country in which customers operate.

The Risk Management Committee has established a credit policy under which each new customer is analysed individually for Creditworthiness before the Company's standard payment and delivery terms and conditions are offered. Credit limits are established for each customer and reviewed periodically.

At the end of the reporting period, there are no significant concentrations of credit risk. The carrying amount reflected above represents the maximum exposure to credit risk.

B. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

C. Market Risk

Market risk is the risk that changes in market prices such as commodity prices risk, foreign exchange rates and interest rates which will affect the Company's financial position. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables.

Capital Management

The Company's objective for capital management is to maximize shareholder wealth, safeguard business continuity and support the growth of the Company. The Company determines the capital management requirement based on annual operating plans and long term and other strategic investment plans. The funding requirements are met through a mix of equity, borrowings and operating cash flows.

Interest rate risk Management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is exposed to interest rate risk because company borrows funds at both fixed and floating interest rates. The risk is managed by the company by maintaining an appropriate mix between fixed and variable rate borrowings.

	Loss on sale of property, plant and equipments	401,390	460,994
		1,066,370	810,229
	Total Expenses	**528,299,738**	**602,647,734**

31. Contingent liabilities and commitments (to the extent not provided for):

(i) Contingent liabilities not provided for

Demand under the Central Excise Act of Rs. 58,211,882 (Previous year Rs. 58,211,882)

Based on familiarity with the matters and legal position prevailing as on date, management believe that the issue being raised by the revenue authorities in the above matters does not have any statutory backing and is supported by various judicial precedents in favour of the Company. In management's view, the Company has a strong case in its favour in the above matters.

(ii) Commitments

Estimated amount of contracts, remaining to be executed on spare parts of machinery (net of advances) Rs 751,859 (approx.) payable in JPY 1,133,000 (Previous year Rs. Nil).

32. Post retirement employee benefits:

(i) Defined benefit plans such as gratuity

The company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The company has a defined benefit gratuity plan. The scheme is funded with **"Life Insurance Corporation"** in the form of a qualifying insurance policy. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Particulars	Present Value of obligation	Fair Value of Plan Assets	Net Liability
1 April 2019	**21,278,565**	**22,209,260**	**(930,695)**
Current service cost	2,230,540	-	2,230,540
Interest expense / (income)	1,609,952	1,680,367	(70,415)
Total amount recognized in profit and loss	**3,840,492**	**1,680,367**	**2,160,125**
Re-measurements			
Return on plan assets, excluding amounts included in interest expense / (income)	-	-	-
(Gain) / loss from change in demographic assumptions	(346,955)	-	(346,955)
(Gain) / loss from change in financial assumptions	207,361	-	207,361

Total amount recognized in other comprehensive income	**(309,838)**	**(177,496)**	**(132,342)**
Employer contributions	-	1,662,946	(1,662,946)
Benefit payments	(3,439,533)	(3,439,533)	-
31 March, 2021	**15,756,658**	**17,022,556**	**(1,265,898)**

The Company has no legal obligation to settle deficit in the funded plan with an immediate contribution or additional one off contribution. The Company intends to contribute as any request for contribution is made by LIC.

The net (surplus) / deficit disclosed above relating to funded plans are as follows:

Particulars	As at	
	31-03-2021	31-03-2020
Present value of funded obligation	15,756,658	16,593,395
Fair value of plan assets	17,022,556	17,819,210
(Surplus) / Deficit of funded plans	**(1,265,898)**	**(1,225,815)**

Expected contributions to post-employment benefit plans of gratuity for the year ending 31 March 2022 are Rs 903,632.

Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is:

Particulars	**Key assumptions**		**(Increase) / Decrease in Defined benefit obligations by**					
			Increase in assumptions by			**Decrease in assumption by**		
	31 March, 2021	**31 March, 2020**	**Rate**	**31 March, 2021**	**31 March, 2020**	**Rate**	**31 March, 2021**	**31 March, 2020**
Discount rate	5.80%	6.50%	1%	15,174,668	15,734,529	1%	16,388,105	17,561,396
Salary growth rate	8.00%	0.00%	1%	16,289,896	17,473,324	1%	15,255,558	15,800,479

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognized in the balance sheet.

Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

32. Post retirement employee benefits: (Contd....)

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

(ii) Defined contribution plans such as provident fund

The Company has defined contribution plans namely provident fund. Contributions are made to provident fund at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the Government. The obligation of the Company is limited to the amount contributed and it has not further contractual nor any constructive obligation. The expense recognised during the year towards defined contribution plan is as follows:

Particulars	For the period ended	
	31-03-2021	31-03-2020
Company's Contribution to Provident Fund	10,392,661	10,210,745

33. Other income includes interest income Rs. 281,456 (Previous year Rs. 489,840), tax deducted thereon is Nil (Previous year Nil), Profit on sale of fixed assets is Nil (Previous year Rs. 4,408,013), Sundry creditors written off Rs. 6,740 (Previous year Rs. 77,673), Duty draw back received Rs 148,426 (Previous year Rs. 172,948), Exchange fluctuation gain Rs 831,475 (Previous year Rs. Nil).

34. Leases

Company as a lessee

The Company has lease contracts for various items of Land and Building in its operations. Leases generally have lease terms between 1 and 33 years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets and some contracts require the Company to maintain certain financial ratios.

The Company has a lease contract with his joint venture partner namely Maruti Suzuki India Limited for 33 years for use of land of Gurugram factory premises on annual rent of Re 1/-. The Company has not created ROU assets and liabilities on this because there is no material impact on the financials.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the year:

Particulars	**As at 31 March, 2021**	**As at 31 March, 2020**
Balance at the beginning	**33,358,621**	**Nil**
Additions	-	38,739,044
Depreciation expense	12,913,015	5,380,423
Balance at the end	**20,445,606**	**33,358,621**

34. Leases (Contd..)

Set out below are the carrying amounts of lease liabilities (included under interest-bearing loans and borrowings) and the movements during the year:

Particulars	As at 31 March, 2021	As at 31 March, 2020
Balance at the beginning	**34,025,260**	**Nil**
Additions	-	38,739,044
Accretion of interest	2,855,929	1,536,216
Payments	(15,000,000)	(6,250,000)
Balance at the end	**21,881,189**	**34,025,260**
Current lease liabilities	13,415,714	12,144,071
Non-Current lease liabilities	8,465,475	21,881,189

The maturity analysis of lease liabilities as under on undiscounted basis:

Particulars	As at 31 March, 2021	As at 31 March, 2020
Less than one year	15,375,001	15,162,001
One to five years	69,601,915	66,609,101
Total	**84,976,916**	**81,771,102**

The effective interest rate for lease liabilities is 10%.

The following are the amounts recognised in profit or loss:

Particulars	As at 31 March, 2021	As at 31 March, 2020
Depreciation expense of right-of-use assets	12,913,015	5,380,423
Interest expense on lease liabilities	2,855,929	1,536,216
Expense relating to short-term leases (included in other expenses)	420,222	16,332,324
Total amount recognised in profit or loss	**16,189,166**	**23,248,963**

The Company had total cash outflows for leases of Rs 15,420,222 in March 31, 2021 (Rs 22,582,324 in March 31, 2020). There are no non cash additions to right-of-use assets and lease liabilities. There are no future cash outflows relating to leases that have not yet commenced.

35. Investment in equity share is measured at fair value through other comprehensive income as per **Ind AS 109**.

The company had made Investment of Face Value of Rs.12,500,000 in equity shares of Caparo Maruti Limited. The investee company has disputed the shareholding of the Company. The company has filed a petition to Hon'ble Company Law Board, who gave company an option to sell shares to majority shareholders after valuation to make an exit. The Company filed an appeal in the Hon'ble Delhi High Court which dismissing company's appeal upheld Company Law Board order thereafter SLPs were preferred against the orders of the Hon'ble High Court of Delhi before the Hon'ble Supreme Court of India by both the parties. The Hon'ble Supreme Court of India vide its order dated 29th March 2016 dismissed both SLPs. However, it states that the order of dismissal is subject to the result of such case(s) as may be pending between the parties in respect of cancellation of the shares held by the petitioner. The matter is still sub-judice.

35. Investment in equity share is measured at fair value through OCI (Contd...)

In the current circumstances, the company is unable to ascertain the fair value of investment in equity share in Caparo Maruti Limited as it is not practicably feasible to do so.

Consequently, no fair value adjustment has been made in the books of accounts and these equity instruments have been carrying forward at cost as at Balance sheet date.

36. The company is exclusively engaged in the business of manufacturing plastic moulded parts for automotive, appliances and industrial application and allied products, which is considered as the only reportable segment referred to in statement on Ind AS-108 "Operating Segments". The geographical segmentation is not relevant, as there is insignificant export.

37. Related party transactions

Information as required by **Ind AS 24"Related Parties Disclosures"** as follows:

Names of related parties and nature of relationships:

i) Key Managerial Personnel (KMP):

Names of the related parties	Nature of relationship
Mr Sanjiivv Jindall	Whole-time Director – Strategy
Mr Aditya Jindal	Chairman cum Managing Director & Son of Whole-time Director - Strategy
Mr Surya Kant Agrawal (till February 29, 2020)	General Manager cum Company Secretary
Mr Ravinder Hooda (with effect from February 11, 2020)	Chief Financial Officer
Ms Reetika Pant (with effect from March 1, 2020)	Company Secretary

ii) Relatives of key managerial personnel:

Names of the related parties	Nature of relationship
Ms Sarita Jindal	Spouse of Whole-time Director - Strategy

iii) Associate companies

a) Maruti Suzuki India Limited
b) Suzuki Motor Corporation, Japan

iv) Enterprises under common control

a) Suzuki Motor Gujarat Private Limited
b) Suzuki Motorcycle India Private Limited

v) Enterprises over which Key Managerial Personnel and their close members are able to exercise significant influence

a) Machino Transport Private Limited
b) Machino Plastics Becharaji Limited
c) Machino Engineering Limited
d) Machino Polymers Limited

37. Related party transactions (Contd..)

e)	Machino Motors Private Limited
f)	Machino Techno Sales Limited
g)	Machino Finance Private Limited
h)	Machino Media Private Limited
i)	Rajiv Exports Industries Private Limited
j)	Grandmaastters Mold Limited
k)	Pranaa Plastics Limited
l)	Kmla Centre for the Inner Sciences (Trust)

Imported	3,325,785	0.29	1,645,927	0.13

41. C.I.F. value of imports

Particulars	Current Year (Rs.)	Previous Year (Rs.)
Raw materials	Nil	2,604,282
Spare parts	10,336,502	1,593,594
Capital Goods	Nil	6,526,642

42. Expenditure in foreign currency

Particulars	Current Year (Rs.)	Previous Year (Rs.)
Travelling expenses	303,088	538,459
Rental expenses	Nil	1,325,717
Job Work expenses	45,609	299,128
Technical Know How Fees	5,854,877	10,427,251
Royalty expenses	335,956	Nil

43. Earning in foreign exchange

Particulars	Current Year (Rs.)	Previous Year (Rs.)
Export sales against plastic parts	7,687,138	9,381,861

44. Remittance in foreign exchange towards dividends

Particulars	Current Year	Previous Year
Number of non - resident shareholders	1	1
Shares held – Equity Shares of Rs. 10 each	941,700	941,700
Dividend remitted during the year	Nil	941,700

45. Capital Management

The Company manages its capital to ensure that the company will be able to continue as going concerns while maximizing the return to stakeholders through the optimization of the debt and equity balance.

The capital structure of the Company consists of net debt (borrowings as detailed in notes 16 and 18 offset by cash and bank balances) and total equity of the company. The company is not subject to any externally imposed capital requirements.

The Company's risk management committee reviews the capital structure of the Company on a semi-annual basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital.The Company monitors capital on the basis of following gearing ratio, which is net debt divided by total equity plus debt.

Gearing ratio:-

The gearing ratio at end of the reporting period was as follows

Particulars	As at 31 March, 2021	As at 31 March, 2020
Debt*	1,000,465,350	908,235,123
Cash and bank balances (including cash and bank balances in a disposal group held for sale)	3,998,393	2,646,240
Net Debt	996,466,957	905,588,883
Total Debt and Equity	1,520,014,217	1,468,735,142
Net debt to equity ratio in %	65.56%	61.66%

*Debt is defined as long-term (including current maturities) and short-term borrowings as described in notes 16, 18 and 20.

46. Financial instruments and risk management

Fair values

1. The carrying amounts of trade payables, other financial liabilities (current), other financial assets (current), borrowings (current), trade receivables, cash and cash equivalents and other bank balances are considered to be the same as fair value due to their short term nature.
2. Borrowings (non-current) consists of loans from banks and government authorities, other financial liabilities (non-current) consists of interest accrued but not due on deposits other financial assets consists of employee advances where the fair value is considered based on the discounted cash flow.
3. The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies and interest rate curves.

   The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Categories of financial instruments:-

Particulars	Level	31 March, 2021		31 March, 2020

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments are included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

47. Financial risk management:-

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the company through internal risk reports which analyses exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Corporate Treasury function reports quarterly to the company's risk management committee, an Independent body that monitors risks and policies implemented to mitigate risk exposures.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analysis in the following sections relate to the position as at March 31, 2021 and March 31, 2020. The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2021 and 31 March, 2020.

a) Foreign currency risk management

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the trade / other payables, trade / other receivables and derivative assets / liabilities. The risk primarily relate to fluctuations in US Dollar, EURO and JPY against the functional currencies of the Company. The Company's exposure to foreign currency changes for all other currencies is not material. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The carrying amounts of the company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows.

Particulars of unhedged foreign currency exposure as at the Balance Sheet date	Amount in Foreign Currency			Amount in Indian Currency (Rs)	
	Currency	As at 31 March, 2021	As at 31 March, 2020	As at 31 March, 2021	As at 31 March, 2020
Payables	USD JPY	513,904 1,133,000	498,753 Nil	37,774,338 751,859	37,598,944 Nil
Receivables	USD	29,357	30,324	2,157,841	2,285,993

b) Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company is exposed to interest rate risk because company borrows funds at both fixed and floating interest rates. The risk is managed by the company by maintaining an appropriate mix between fixed and variable rate borrowings.

Particulars	As at 31 March, 2021	As at 31 March, 2020
Cash Credit Borrowings (including WCDL)	530,380,167	417,318,667
Term Borrowings (including current maturities)	470,085,183	490,916,456

47. Financial risk management (Contd..)

Total borrowings	**1,000,465,350**	**908,235,123**

Interest rate sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

(i) The exposure of group borrowings to interest rate changes at the end of reporting period are as follows:

(ii) As at the end of reporting period, the company had the following variable rate borrowings:

Particulars	As at 31 March, 2021			As at 31 March, 2020		
	Weighted average interest rate	Balance	% of total loans	Weighted average interest rate	Balance	% of total loans
Term Loan and Cash Credit Limit	8.67%	1,000,465,350	100%	9.98%	908,235,123	100%
Net exposure to cash flow interest rate risk		1,000,465,350			908,235,123	

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

If increase by 50 basis point	Interest Impact	
Particulars	**As at 31 March, 2021**	**As at 31 March, 2020**
Impact on profit or (loss) for the year	(5,002,327)	(4,541,176)
Impact on total equity as at the end of the reporting period	(5,002,327)	(4,541,176)

If decrease by 50 basis point	Interest Impact	
Particulars	**As at 31 March, 2021**	**As at 31 March, 2020**
Impact on profit or (loss) for the year	5,002,327	4,541,176
Impact on total equity as at the end of the reporting period	5,002,327	4,541,176

c) Credit risk management

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The company only transacts with entities that are rated the equivalent of investment grade and above. This information is supplied by independent rating agencies where available and, if not available, the company uses other publicly available financial information and its own trading records to rate its major customers. The company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the risk management

47. Financial risk management (Contd..)

committee annually.

d) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework for the management of the company's short-term, medium-term and long-term funding and liquidity management requirements. The company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Liquidity and interest risk tables

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the company can be required to pay.

The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period.

The contractual maturity is based on the earliest date on which the company may be required to pay.
