Sub: Reply to the clarification sought on movement in price of shares of the company

Ref: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

This has reference to above seeking clarification, vide your e-mail number L/SURV/ONL/PV/AJ/ 2025-2026 / 3110 dated 25th September, 2025, in respect of movement in price of the Company's scrip, in the recent past, as traded on BSE.

In this regard, we wish to inform that all information and necessary disclosures in accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Regulations'), is regularly given to the Stock Exchange by the Company in a timely and accurate manner.

The movement in the price of securities of the Company is purely due to market conditions and are market driven which are speculative in nature. We assume due to the introduction of GST 2.0 which has come into effect from 22nd September, 2025, the Automotive demand has surged and this sentiment may have played role in price movement. The Management has no control over the same.

Further more, our floating stock is low and net buy for small quantity say about one half percentage of total capital surges the price to upper ceiling sometime. The KMP's of the company have not dealt with any securities of the company in the recent past.

We reiterate that the Company will continue to inform the stock exchanges about any price sensitive information as required under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

We hope the above clarifies your query.

Thanking You

Yours Faithfully,

For Machino Plastics Limited
