Required Actions for Shareholders

- We request all shareholders who have not yet updated their records or claimed their dues to take prompt action and update their all relevant details with Registrar & Transfer Agent (RTA).
- Please submit the required documents to our RTA through either of the following modes:
 - **By Email:** From your registered email ID, send duly signed and scanned copies of the documents as required by the RTA; or
 - **By Post:** Send self-attested physical copies of the required documents to the RTA.

Why This Matters

Electronic Credit of Dividends: Dividends are payable only through electronic mode. Without updated bank and contact information, dividend payments cannot be processed.

Avoid Transfer to IEPF: Dividends remaining unpaid or unclaimed for seven consecutive years, along with the corresponding shares, are required to be transferred to IEPF. Recovering such amounts and shares from IEPF involves a separate claim process
